# Plus 9 or Minus 9 Bingo

## Directions

### You need

- Plus 9 or Minus 9 Bingo Gameboard (SAB p. 303)
- Counters 
- 0–20 Cards (without Wild Cards) 

10	15	2
----	----	---

### Play with a partner. Work together.

- 1 Turn over one 0–20 card. 

11
----
- 2 Find the results of adding and subtracting 9 to/from that number.  
 $11 + 9 = 20$        $11 - 9 = 2$
- 3 Cover one of the answers on your gameboard. (If both are already covered, discard the card, and turn over a new card.)
- 4 Place the number card in the discard pile.

7	21	2	8	4	16
3	10	19	14	25	9
1	12		11	6	29

- 5 Continue playing until all numbers in one row are covered. The numbers can go across 

□	□	□	□	□
---	---	---	---	---

, down 

□	□	□	□
---	---	---	---

, or corner to corner 

□	□	□	□
□	□	□	□
□	□	□	□

.

### More Ways to Play

- Play with Wild Cards. A Wild Card can be any number.
- Play against your partner. Each player uses a different color counter.
