Directions

You need

- Deck of Digit Cards (without the Wild Cards)

Play with a partner.

- 1 Deal the cards evenly, facedown.
- 2 Both players turn over their top two cards, and determine the product of their cards.
- 3 The player with the larger product says “Me!” and takes the cards.
- 4 If the products are the same, both players turn over two more cards.
- 5 Play for a given amount of time, or until one player has all the cards.

Variations

- The player with the smaller product says “Me!”
- Play with 3 players.
- Play with the Wild Cards, which can be used for any digit 1–9.
